Datanational Corporation to Host Better Business Data Backup & Recovery Lunch and Learn in Livonia

Farmington Hills, MI. - Datanational Corporation, a leading provider of enterprise software and services will be hosting a Lunch and Learn event reviewing how businesses can improve data backup and recovery processes. The session will be held at VisTaTech Center at Schoolcraft College in Livonia, Michigan on Tuesday, February 25th at 11:45 AM.

Datanational will share how their offering has been implemented for many businesses that previously struggled with the rising costs and complexities of data storage, backup and restore processes. This solution is a best-in-class backup and recovery service for all major platforms, including IBM System i, Windows, Linux and AIX.

To register for the lunch and learn session, visit <http://www.datanat.com/LunchLearn>.
