Datanational Corporation to Host Data Backup & Recovery Lunch and Learn in Livonia

Farmington Hills, MI. - Datanational Corporation, a leading provider of enterprise software and services will be hosting a Lunch and Learn event reviewing the different approaches for implementing backup, disaster recovery and high availability protection for IT environments. The session will be held at VisTaTech Center at Schoolcraft College in Livonia, Michigan on Tuesday, November 18th at 11:45 AM.

Over lunch, Datanational Corporation will give an informational presentation on strategies to implement the appropriate level of disaster recovery protection for IT environments. Datanational will review different levels of protection available based on specific Recovery Time and Recovery Point Objectives. The presentation will address all operating system platforms, including Windows, IBM i, Linux, and AIX.

To register for the lunch and learn session, visit <http://www.datanat.com/LunchLearn>.
