Datanational Corporation to Host Lunch and Learn Cloud-based Backup and Recovery Product Session in Livonia

Farmington Hills, MI. - Datanational Corporation, a leading provider of enterprise software solutions and an IBM Cloud Specialty Business Partner, will be hosting a Lunch and Learn featuring their Cloud-based Backup and Recovery Product solution. The session will be held at the VisTaTech Center at Schoolcraft College in Livonia on Wednesday, October 10th at 11:45 AM.

Datanational will present how their offering has been implemented for many customers who have struggled with the rising costs and complexities of data storage, backup and restore processes. This solution is a best-in-class backup and recovery service for all major platforms, including IBM System i, Windows, Linux and AIX.

To register for the lunch and learn session, visit <http://www.datanat.com/lunch>.
